## Designers

Every room that is transformed comes from the vision of interior designers who volunteer their time, skill and expertise. We encourage creativity in developing the design for each soothing, uplifting and tranquil chemotherapy room. If you would like to volunteer, please contact RTR4C at [info@RoomsThatRock4Chemo.org](mailto:info@RoomsThatRock4Chemo.org) or for more information go to [www.RoomsThatRock4Chemo.org](http://www.RoomsThatRock4Chemo.org).

## Volunteers

RTR4C volunteers work in teams, transforming rooms to pre-determined design specifications. Rooms are transformed over a weekend so no patient treatment is interrupted or postponed. If you would like to volunteer, please contact RTR4C at [info@RoomsThatRock4Chemo.org](mailto:info@RoomsThatRock4Chemo.org) or for more information go to [www.RoomsThatRock4Chemo.org](http://www.RoomsThatRock4Chemo.org).
